that besides "ANATOLIJ" (iii) "KERN" (iv) "ABRAM" (v) and "VALENTIN" (vi) had been connected with him. KUCHERA (KUCHERA) (vii) called in to see the "MISTRESS" (KHOCHET) (viii) after CHERNYSHOV (ix) (a) and related the above, adding that "ANATOLIJ" might be arrested. The "MISTRESS" sent a telegram to the NKID (x) today containing a protest (b) concerning the sending of "ANATOLIJ" to the USSR. The necessary [8% precautionary] measures have been taken by us.

VALERIAN (xi)

Notes: (a) Presumably this means that CHERNYSHOV had visited the MISTRESS previously.
(b) "protest" - a one-digit garble would give "request", which seems more likely in this context.
